Reference: Land Use Assurance for Hartsfield-Jackson Atlanta International Airport (H-JAIA)

Dear Mr. Clark:

The City of Atlanta Department of Aviation is filing a federal Airport Improvement Program (AIP) grant application to widen H-JAIA's existing Concourse D and to reconfigure some of the Domestic Terminal parking areas. These Proposed Action components are being evaluated in a Focused Environmental Assessment.

Per Section 47107(a)(10) of Title 49 of the United States Code (49 USC Section 47107(a)(10)), appropriate actions have been taken to the extent reasonable, to restrict the use of land adjacent to and in the immediate vicinity of H-JAIA to activities and purposes that are compatible with normal airport operations, including the landing and takeoff of aircraft.

Sincerely,

Thomas E. Nissalke, Ph.D.
Assistant General Manager – Planning and Development
City of Atlanta/Department of Aviation
